

DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(c), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 19 May 2008 has been entered.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. Claims 1-18, 21-23 and 30-31 are allowed.

Claims 1, 10 and 16 each requires, by the instant amendment, steps or elements for using scale factors to obtain the output level of the temporarily stored audio data as an indication of an average volume of the audio file. As indicated previously on this record, using scale factors for determining an RMS (i.e. average) volume is not taught by the cited prior art. (Final Rejection 4, 17 March 2008). Thus, claims 1, 10 and 16 are allowable over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
